FOOTPRINT PROJECT

Newsletter 2 – April 2022

The progress of the project

The **FOOTPRINT** project is implemented in accordance with the work plan. Partners have developed project website available at: <http://footprint-project.eu> The website is available in each partner language.

The project partners are working on the development of 3 outputs:

IO1 - In-Service Training Programme

IO2 - Smartphone Film Making Training Programme

IO3 - Environmental Awareness Training Resource Toolkit

The results will be completed by the end of the first year of the project. This will be followed by an international training course in Ireland and the piloting of the results at a local level. The partners also plan to organise two international meetings and a multiplier event in each country.

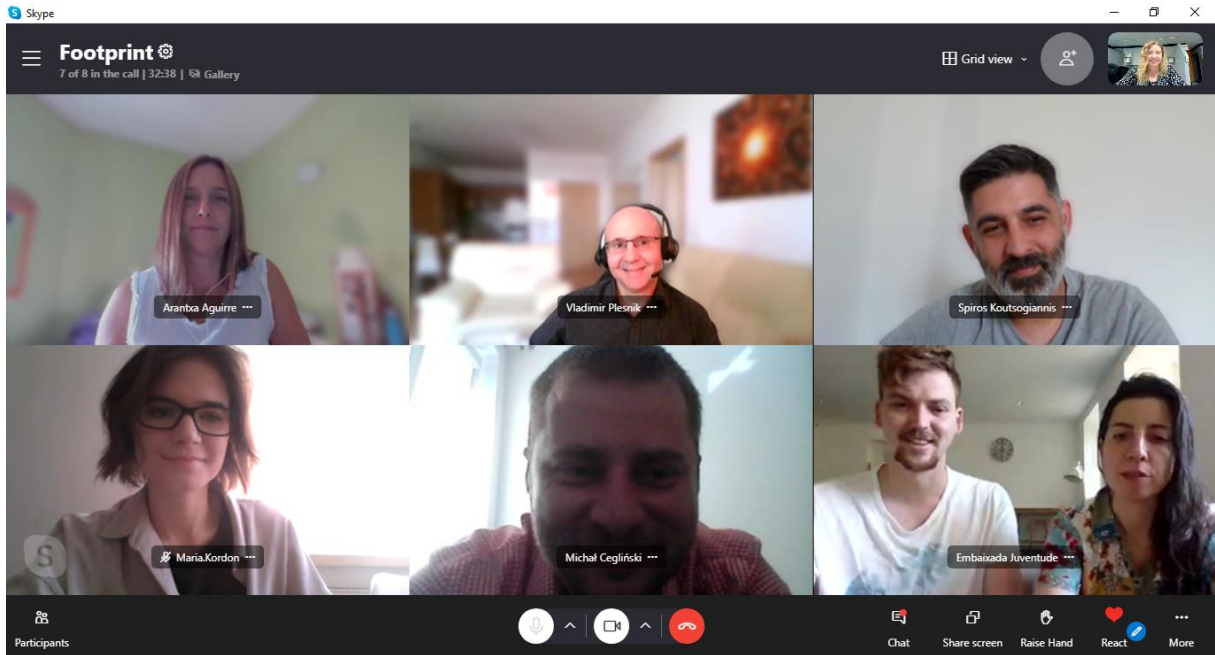

Second partner meeting

Second partner meeting has been organized online on 9th September 2021, it was attended by representatives of each partner. The main focus of the meeting was to discuss development of project outputs. Partners discussed also project management, dissemination, evaluation and monitoring.

Co-funded by the
Erasmus+ Programme
of the European Union

Partners planned also future activities in the framework of the project such as next partner meetings and transnational training event.

The project partnership would like to invite you to visit project website where all results of the project will be published with open access.
